paper copy on request

Scope: Ashbridge Independent School and Nursery,

Ashbridge-on-Ribble Nursery

Statutory Duty of Schools

The Education Act 1996 requires parents or guardians to ensure their children from the age of 5 years, receive effective, full-time education, either by regular attendance at school or otherwise.

Schools are responsible for recording pupil attendance twice a day; once at the start of the morning session and once during the afternoon session. An entry must be made in the attendance register for all pupils of <u>compulsory school age</u> who are on the school's admission roll.

Daily attendance monitoring

We ensure that:

- children are registered accurately and efficiently in line with regulatory requirements
- parents or guardians are contacted by 9:30 am on the first day of absence, including in nursery, when reasons for absence are unknown or unauthorised
- pupil attendance and lateness (in school) is recorded and monitored, including reasons for absence, and is followed up where necessary
- if a child is absent for school or nursery for more than 10 days continuously without leave or is regularly absent we will inform the local authority as required.
- school and nursery attendance records and statistics are reported to DfE if required and are made available at ISI inspection.
- Accurate attendance figures are quoted on end of year reports and parents are contacted individually if attendance has fallen below 90%

Parents or Guardians are required to:

- ensure regular attendance and comply with absence procedures by informing the school of the reason for absence on the first day of non-attendance by phone or email
- discuss planned absences with the school in advance (e.g. family holidays, special occasions) and complete an online Authorised Request Form and return it to school for authorisation by the Headteacher. This only applies to children of compulsory school age.

Admission Register monitoring

Our admissions register is kept up to date with the names and details of children who attend Ashbridge School, Ashbridge Nursery Hutton and Ashbridge-on-Ribble Nursery. This includes the names and contact details of parents or legal guardians, date of admission, previous setting and the

child's address. Where children live at two or more addresses, wherever possible we record all addresses and the days children reside at each address.

When a child joins Ashbridge School at any time other than the September after they turn 4, the local authority will be informed within five days of the child starting school.

When a child leaves Ashbridge School the following procedure is followed:

- Destination school and expected first day of attendance is recorded, whenever it is possible to ascertain this information.
- The Local Authority is informed when a child it to be deleted from the admissions register:
 - At a non-standard transition time, as set out in the guidance Children Missing From Education
 - In the case of any of the fifteen official separate grounds for removing a pupil from the admissions register
- Any safeguarding concerns and relevant information will be sent on to the child's next school or place of education, as set out in the Safeguarding and Child Protection Policy and Procedures.

A monthly report of children leaving and joining Ashbridge Nursery Hutton and Ashbridge on Ribble Nursery is sent to the Local Authority. This has been agreed with the Local Authority as a reasonable measure to inform them of children attending the nursery who are not of compulsory school age. Any safeguarding concerns relating to children leaving the nursery will be sent on to the child's next place of education, as set out in the Safeguarding and Child Protection Policy and Procedures.

Safeguarding Concerns

Inconsistent attendance at school or nursery could be a sign of a safeguarding issue such as neglect, abuse or child sexual or criminal exploitation. It is important that if team members feel a child's absence may be related to safeguarding or their wellbeing that they speak to a DSL and follow the procedures as set out in the Safeguarding and Child Protection Policy and Procedures.
