

Clubs Overview and Booking Form

2016 – 2017 Autumn Term

Dear Parents,

This booklet contains a summary of all the extracurricular clubs and activities offered by Ashbridge School and Nursery in the coming term. As you can see there is a wide variety of clubs for the children every day. There is a mixture of free clubs run by Ashbridge staff and paid clubs run by our freelance teachers and coaches. The benefits of taking part in extracurricular activities are huge and the children enjoy the opportunity to try something different, develop a new hobby, challenge themselves and work with children and adults they would not normally work with in a normal school or nursery day. It improves their confidence and provides a good balance to the more academic side of school life. Through the clubs children have opportunities to compete, perform and share what they have been doing with others.

In school, we even have clubs run at break times by older pupils and details of these will be passed to the children at the beginning of the year.

Access to 1:1 music tuition in violin, piano, keyboard, saxophone, flute and new for this year, singing, is also available on a Friday to school children. Please indicate if you are interested in hearing more about this and we will put you in touch with our peripatetic teachers.

Clubs run every week and will not be cancelled unless absolutely necessary. They will start on Monday 19th September 2016 and run until Friday 16th December. It is expected that children show a good level of commitment to the clubs they sign up for and attend every week. If your child will not be attending for a week please inform Charlotte or Andrea in advance. Many clubs will continue throughout the year but some change termly. Some clubs have a maximum number and for those that are oversubscribed we may make the decision to have different children each term to ensure all children can take part.
